

SteriClean®

IPA Prep Pad

Small, economic and perfect for wiping small surface areas, tops of vials and caps, Helapet offer our impregnated 70% v/v IPA Sterile Prep Pad.

Wiping down smaller instruments using a larger wipe can be costly and cumbersome. Helapet IPA Prep Pads increase efficiency with less waste, optimising space in confined controlled environments such as cabinets and isolators. Each prep pad is pre-folded and individually packed in paper-free packaging.

Features and Benefits

- ✓ 54 gsm non-woven rayon / polypropylene material
- ✓ Low linting
- ✓ Convenient cleaning of syringes, spikes and vial tops
- ✓ Reduced waste
- ✓ Pre-folded in paper-free packaging
- ✓ Sterile
