

Tyvek®

Collared Suit

Helapet Tyvek® Collared Suits provide durable and comfortable full bodily protection from dry particles and non-toxic liquid splashes.

The unique Tyvek® material is chemically and biologically inert and low linting, offering an ideal combination of strength, flexibility, durability, great barrier qualities and wearer comfort.

Tyvek® Collared Suits are presented with a front zip with covering flap for easy donning and contamination protection. Elasticated cuffs, ankles and waist provide a close, secure fit reducing the risk of riding up or snagging.

Features and Benefits

- ✓ Low linting fabric
- ✓ Total freedom of movement
- ✓ Protects against dry particles and non-toxic liquid splashes
- ✓ Elasticated cuffs, ankles and waist for secure fit
