

SteriClean®

Neutral Detergent

A ready-to-use, pH neutral general purpose agent for cleaning surfaces in controlled cleanroom environments.

Ready mixed and blended with de-ionised water, SteriClean® Neutral Detergent is highly effective at removing general soiling and accumulated biocide residues without the risk of damaging sensitive surfaces. Supplied in an ergonomic, lightweight bottle with an integrated bag-in-bottle and non-venting trigger assembly, ensures sterility of the contents is maintained.

Filled in an ISO Class 5 cleanroom and filtered to 0.2 micron, each trigger spray is individually double bagged and terminally sterilised for smooth aseptic transfer and immediate use.
