

# MedTrans Waste Bag

Helapet MedTrans Waste Bags are ideal for tamper-evident transportation of medications, or for the collection of waste in controlled working environments.

Manufactured from tough, clear polyethylene allows easy identification of the contents, with a write-on panel on one side for easy labelling. A tamper-evident fold over closure ensures secure containment of the product.

## Features and Benefits

- ✓ Ideal for labelled transport or disposal of drugs
- ✓ Transparent for clear identification of the contents
- ✓ Tough 400 gauge / 100 micron polyethylene material
- ✓ Secure tamper-evident seal
