

WARNING!

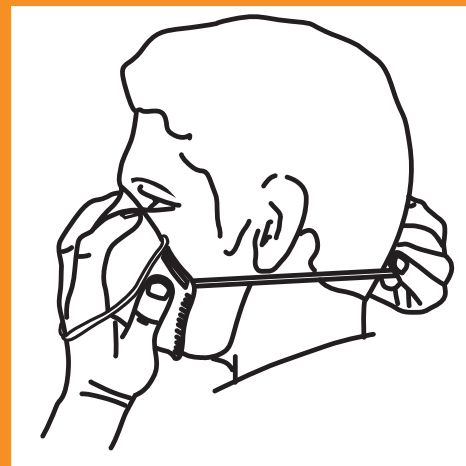

JUST PUTTING IT ON IS NOT ENOUGH
FIT IT RIGHT!

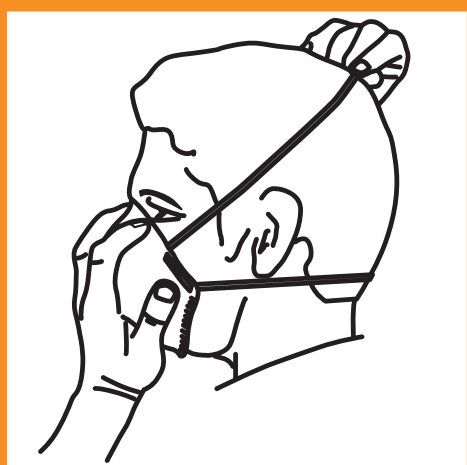

Place mask in palm of hands with straps hanging free

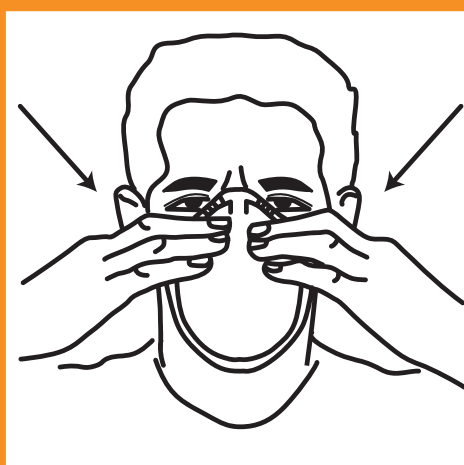

Hold mask in position on face

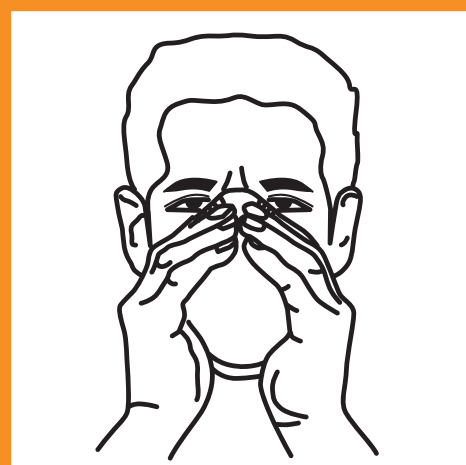

Pull lower strap over head and place below ears on neck

Place other strap on crown of head above ears

Adjust noseband/head strap* and ensure mask is tight on face

Make final adjustments and test fit of mask

* Respirators with adjustable head strap only

CAUTION: Tight fitting respirators should only be worn when clean shaven.
