**SteriClean Alcohol Spray**  
**NEW 0.45Litre Size**

SteriClean Alcohol Sprays are now available in a new compact 0.45 litre size that easily fits into the smallest of isolator hatches.

A mini version of the same ergonomic design with bag in bottle closed system, is ideal for smaller units and is lighter to handle, avoiding fatigue. The sprays are fully validated and are supplied individually double bagged and sterile for cleanroom use.

SteriClean Alcohol Sprays are blended with water for injection, filtered to 0.2 micron and filled in a class 10,000 cleanroom. With the advantage of quick evaporation and minimal residue, SteriClean Alcohol Sprays are ideal for use in aseptic units.

For more information or to try the sprays in your unit, please contact our sales team on **0800 0328 428** or visit our website [www.helapet.co.uk](http://www.helapet.co.uk) and submit a request on-line.
