## Berner XP Spill Kits

*Now offering EXTRA protection, comfort and piece of mind*

Berner cytotoxic XP spill kits represent the highest standard of safe cleaning and decontamination for wet and dry spills, using essential utensils packed in the order for which you need them.

Helapet's new range of Berner XP spill kits introduce **Active Breath** coveralls and overboots for enhanced protection and comfort from head to toe. Active Breath materials combine high permeable coating on the front with a breathable area on the back, using spray safe seams to maintain full compliance with European Standards.

New skin friendly vinyl overgloves provide excellent latex-free chemical resistance, with textured finger-tip and palm surfaces for improved grip.

Offered in a new range of multiple size options, there are now more choices to suite your coverall and glove size preference.

Continuing Helapet's commitment towards total user safety, we offer FREE training sessions on the proper use of all our spill kit products. Using interactive formats adapted to your department, Helapet spill kit training covers essential elements in spill control to guarantee complete confidence and peace of mind.

Learn more today about the new Berner XP Spill kit range and our FREE training sessions by calling **0800 0328 428** or visit our website [www.helapet.co.uk](http://www.helapet.co.uk)
