## **Heading: Purple Lids for Cytotoxic Waste**

In line with the recently published DoH “Health Technical Memorandum 07:01 Safe management of healthcare waste”,

[http://www.dh.gov.uk/en/Publicationsandstatistics/Publications/PublicationsPolicyAndGuidance/DH\\_063274](http://www.dh.gov.uk/en/Publicationsandstatistics/Publications/PublicationsPolicyAndGuidance/DH_063274)

we are pleased to advise that our sterile sharps bins for Cytotoxic waste now come with a purple lid to comply with these best practice guidelines.

The 5.0 litre Sharps Bins for Cytotoxics are available individually double wrapped and sterile for convenient use in aseptic areas.

For more information please contact  
Helapet on 0800 0328 428
